

Montessori Pathways Summer Camp

Registration for Summer Camp 2026 begins February 1st, 2026.

Due to our teachers' summer time off, the spots at our camp are limited and are offered on a first come first served basis

=====

At **Montessori Pathways Summer Camp**, our goal is to provide campers with an opportunity to retain and develop their skills in a relaxed summer atmosphere. Our Summer Camp has the perfect balance of air-conditioned indoor activity and natural outdoor fun and learning.

We will combine exciting adventures with creative opportunities for learning. While **forming new friendships**, children will have ample time for play, **personal growth** and **free exploration**. A portion of the day will be allotted for **exploration of Montessori materials**.

Campers will experience **a new theme every session!** Each week will include creative art projects, cooking and baking activities, gardening, and active games.

Children will have a lot of fun **playing games and bathing in the sun and water** in our beautiful, natural playground.

Aside from **field trips** in the community, we plan to bring many interesting activities to the school as well.

Programs offered:

- Little Campers (for 3 – 5 years old students)** - Little Campers spend their days at Montessori Pathways exploring the Montessori classrooms as well as enjoying the beautiful outdoors through games, water activities, and art.
- Elementary Campers (for 6 – 12 years old students)** Elementary Campers have an enjoyable time working on a variety of outdoor projects as well as hiking beyond the gates, outdoor water activities, games, an assortment of arts and crafts, and a choice of a specialized experience. This program includes **Leader-in-Training** opportunity for 10-12 years old students to develop their leadership skills as they provide assistance in our many camp groups.
